## Presidents Message

The New Year has started so a look back on 2006 is in order. We accomplished great things in the last year and all those that helped this great organization out should be very proud of their efforts. Not the least of which was the passing of the sales tax bill on coins, precious metals, and currency. This legislation is a culmination of a many year effort by collectors and dealers and was spearheaded by our former President Chris Seuntjens, The Des Moines Coin Club, The Fort Dodge Coin Club and many others too numerous to list. Thanks to all for the hard work. I would also like to mention the shows that are put on by the local clubs around the state, these shows provide an opportunity to continue education and fellowship in this hobby we all share and not enough is said about the effort it takes to put these events together, so great job to all involved.

The Iowa Collector looked great all year and thanks go out to Denny Ross, Roger Rice, Bev Ashton and all those that sent in articles and photos. Keep up the good work and I challenge all of you to contribute at least one item for 2007.

For this New Year I hope everyone had a joyous Christmas and Happy New Year and you are blessed with success in all goals for this New Year. As we look forward to things to come I hope everyone can attend the Coin-A-Rama in Nevada, Iowa on the 24th and 25th of February where we will have our midwinter board meeting. Anyone that has any suggestions for the INA please talk to me or any board member so we may bring up the issue at the meeting.

All organizations have goals for the year and this year is no different. My goal as a member of the INA is to sign up every collector from Iowa that I do business with to a membership of the INA and suggest membership in the ANA also. The reason for this is if you are involved in a hobby you should be involved in making it better for others and more enjoyable for yourself. I believe that the INA and the ANA, along with local clubs and regional organizations, can do this. If you don't like the way these groups conduct their business you can only change things if you are a voting member. So get involved and stir things up but most of all enjoy this hobby and share your knowledge.

In conclusion I would like to thank all of you for having faith in me to do this job for you and I hope not to disappoint. I hope everyone has a great 2007 in everything you do!

Best wishes,

John Jackson President, Iowa Numismatic Association

President Chris Seuntjens called the meeting to order. The minutes were read and approved. The Treasurer's report was given with a balance of \$3,614.70 in the general fund and \$1,659.93 in the ICIA fund. Gordon Weber moved that the Treasurer's report be accepted. Denny Ross seconded the motion and the Treasurer's report was approved.

Dean Parr brought in a balance sheet detailing the expenses of the 2005 INA show in Cedar Rapids. The Cedar Rapids Club is taking a loss of more than \$4,000.00 and all they are asking the INA for is half the cost of the Secretary's room. There was much discussion about contracts and watching out for loopholes. Dean reminded the board that the Cedar Rapids Coin Club never received a convention manual. Life member Mike Seacer would like to see the convention manual revised. It is very hard to read and is outdated. Chris made a motion that Mike work on it. Don McCulloch volunteered to be on a committee with Mike. Denny Ross moved, John Jackson seconded and the motion was passed.

John Jackson has been checking into having the 2007 INA in Storm Lake. He had some information on King's Pointe, a still being built resort. John will have a budget before Coin-a-Rama. Dale Dye made a motion that we accept the proposal for the Storm Lake show in 2007 contingent upon seeing the budget. Don McCulloch seconded and the motion passed.

Denny Ross talked about Ottumwa possibly having the show in 2008. Further discussion was tabled until a later date.

How can we promote membership? We need either a membership committee or Director. Lee Roe said he'd gladly do this. The clubs need to have a list of available speakers and could these also be published in The Collector. Chris would like to see different committees set up and having these names available in The Collector. This could also include listing Dean Parr as our Web Master, Chris in Advertising, leaving Legal open for now, and maybe eventually even a YN Director.

Who do we send articles to? We need one set person to do this with. Denny agreed to be our editor. Denny and Chris have been checking into other print shops to possibly handle printing the Collector. They will continue to keep checking into this for us.

Gordie motioned that we adjourn, Dale Dye seconded and it was passed.

Members present: Tom Robertson, Lee Roe, Clarence Mitchell, Don McCulloch, Dave Stark, Linda Shook, George Shook, Marvin Mericle, Sam Ashton, Chris Seuntjens, Scott Nichols, Gordon Weber, John Jackson, Dale Dye, Dean Parr, Denny Ross, Dong Van Den Berg, Michael Seacer & Bev Ashton.

Respectfully submitted,  
Beverly Ashton  
INA Secretary-Treasurer

## From The Secretary's Desk

Well we made it through another INA election without too much hassle and you can find a listing of current officers and directors elsewhere in the Collector.

What is with the bullion market lately? It seems to be jumping around like crazy anymore. I know we have a hard time staying on top of the market. I never imagined seeing \$14.00 silver or \$646.00 gold.

I'm looking forward to seeing everyone at Coin - a - Rama in Nevada. I've had some people paying ahead on their dues; don't forget dues are now \$10.00 year.

Beverly Ashton  
INA Secretary, Treasurer

## Annual Membership Meeting

Des Moines, IA

Chris Seuntjens called the meeting to order. Mary Meriele, Past-President of Central States Numismatic Society gave a talk. What is CSNS? Central States is mainly there to promote the hobby of collecting and Mary gave us many examples of different ways they try to accomplish this goal.

Chris made a presentation to Mike St. Clair our lobbyist who really pushed the tax legislation and eventually got it passed. Mike gave us a little history of the different hurdles he had to overcome to get our bill passed.

Chris made a presentation to Mike Roscoe & the Des Moines Coin Club on their 70th Anniversary.

Chris made a presentation to Tom Robertson of the historical paperwork of the tax bill.

Chris passed the Presidency on to John Jackson. John presented The Past President plaque to Chris. John read the new board members. Minutes were read and Ron Hedglin brought up that a tabled motion should say that it was tabled until a specific date such as the next meeting. The dates for the 2007 INA Show are Oct 27-28, 2007 at King's Pointe in Storm Lake, IA.

Outstanding Numismatist award nominations were read:

Tom Robertson	Iowa City
Chris Seuntjens	Des Moines
Bob Simon	Des Moines
Harry Peters	Kanawha

Ron Hedglin suggested we consider a proposal of having no early birds until one hour after dealer set-up. A possible time frame was given:

dealers	7:00
early bird	8:00
public	9:00

This will be put on the agenda for the next INA board meeting. Ron motioned, Denny Ross seconded. This could even be put in the new convention manual if it is passed.

Denny made a motion to adjourn, Don McCulloch seconded and the meeting was adjourned.

Respectfully submitted,  
Beverly Ashton  
INA Secretary Treasurer

## 68<sup>th</sup> Annual INA Coin Show & Convention

By Denny Ross

The Des Moines Coin Club, with General Chairman Chris Seuntjens, hosted the Iowa Numismatic Association's 68<sup>th</sup> annual Coin Show and Convention this year. The coin show and convention was held at the Holiday Inn, in Des Moines, on the 7<sup>th</sup> & 8<sup>th</sup> of October.

With several dealers manning over 50 tables of numismatic and philatelic materials, postcards and coin supplies, there were plenty of treasures for attendees to search through. Attendance was marginal at this year's show, yet dealers were able to keep busy helping potential buyers and sellers.

Dave Stark demonstrated the art of three dimensional foil stamping of coins using aluminum foil. There were exhibits on display by Bob Simons with his over 400 unique displays of Iowa centennial medals and the INA's display from it's historical museum.

On Saturday there were three free seminars open for coin show attendees. Included was Jack Glass with a presentation on Iowa Trade Tokens, Tom Robertson did a talk on half dimes, and Don Mark did a presentation on National Currency. Bill Fivaz was to do a 2 day seminar on grading but due to the low number of people signing up for the classes they were canceled. A great opportunity for collectors to improve their knowledge on the art of coin grading was missed.

The Iowa Numismatic Association held it's last meeting of 2006 at the close of bourse on Saturday in the Bennigan Room at the hotel. A vast number of topics were covered with many new ideas to improve the operations of the INA. At 6:00 PM on Saturday a reception was held in the Bennigan Room to present a special thank you award to State Representative Carmine Boal for her efforts and support in getting the "No Sales Tax Bill" passed and signed by Governor Vilsack.

Sunday morning began with a Chapel service in the Bennigan Room followed by breakfast open to INA members. This was an election year for the election of a new INA President and board of officers. Out going President, Chris Seuntjens, announced that John Jackson was the newly elected president of the INA and congratulated him on his position. Chris then turned the meeting over to the new President.

President Jackson thanked the membership for their support and for electing him as the new President. John is looking forward to working

with the board of officers and general membership in improving the quality and promotion of the numismatic hobby. John then called on Bev Ashton to reveal the names of the newly elected officers. The president then read off the names of those who were nominated for the "Numismatist of the year award".

The meeting was adjourned. Chris presented Mike St. Clair, the lobbyist hired by the INA, with a special thank you award for his diligence and efforts in getting the No Sales Tax Bill before the representatives of the Iowa State House of Representatives and the Senate House. His untiring work was greatly instrumental in getting the No Sales Tax Bill passed.

President Jackson then presented out going President Chris Seuntjens with an award of appreciation for all of his time and tireless input that he put forth to improve the INA and the numismatic hobby in general.

Thank you Des Moines Coin Club and Chris for putting on a great coin show and convention.

The Des Moines Coin Club turned a check over to the INA for \$884.10, half of the proceeds from the show.

## 1955 Doubled Die Cent

By Dennis Ross

During production at the Philadelphia mint, in 1955, one of the most dramatic minting errors occurred in the 20<sup>th</sup> century in the Lincoln cent series. This now famous error is known by all coin collectors as the 1955 doubled die cent. This error occurred when the working obverse die was misaligned with the working hub during the second striking of the die. The working die was rotated counter-clock wise about 2 degrees and this resulted in the strong doubling of the date, Liberty and In God We Trust. Only the obverse of the cent was affected. Oddly enough Lincoln's profile was not doubled.

Mint officials who inspected the coins during the minting process actually caught the doubling error before the coins were to be shipped to the Federal Reserve Bank. Because of a shortage of cents caused by hurricane Diane and the fact that the doubled die cents had been mixed in with over 10 million newly minted cents, mint officials released the coins rather than melt the entire production. It is reported that between 20,000 and 24,000 1955 doubled die Lincoln cents were placed into circulation.

The 1955 doubled die Lincoln cent is on the want list of everyone who collects Lincoln cents. Due to the fact that the error cent was found early by alert collectors most 1955 doubled die cents are found in extra fine to about un-circulated condition.

Un-circulated pieces are fairly rare and prices for a full red 1955 doubled die Lincoln cent certified in mint state 65 can reach into the thousands of dollars. In May of 2005 a 1955 doubled die cent, certified by PCGS as mint state 65 red sold at a Heritage auction for \$48,300.00 dollars.

Are there still 1955 doubled die cents out there just waiting to be discovered? Maybe in an old fruit jar full of change or an old piggy bank?
